

The Centers for Medicare & Medicaid Services (CMS) is requesting applications for a new voluntary episode payment model that will qualify as an Advanced Alternative Payment Model (Advanced APM) under the Quality Payment Program.

Who Can Participate? There are two categories of Participants under BPCI Advanced: Non-Convener Participants and Convener Participants. Acute Care Hospitals (ACHs) and Physician Group Practices (PGPs) may participate as either a Non-Convener Participant or a Convener Participant. Eligible entities that are providers or suppliers – either Medicare-enrolled or not Medicare-enrolled – may participate in BPCI Advanced as a Convener Participant.
