Tips for Successfully submitting claims to your MACs

- Submit claim to your MAC for 1st class attended (MDPP first core session or bridge payment before submitting other claims for that beneficiary. This claim essentially registers the beneficiary to MDPP.
- Be sure to include the demo code, 82, on all claims
- Double check the session and session codes when submitting claims.
- The Virtual Modifier, “VM”, should be appended to the end of any G-code that is associated with a session that was furnished as a virtual make-up session (e.g., G9891VM).
- Make sure your coach roster is up-to-date to avoid claims being denied or rejected. Coaches are the “rendering provider” on the claims.

* This cheat sheet applies to MDPP suppliers furnishing services to beneficiaries with FFS Medicare, also known as Original Medicare. MDPP suppliers can use the MDPP Medicare Advantage Fact Sheet or contact the beneficiary’s Medicare Advantage plan for information on Medicare Advantage payment & billing.
